

Annapolis Valley Event and Sport Tourism Association

AVESTA Membership

About AVESTA

The Annapolis Valley Event and Sport Tourism Association (AVESTA) was formed in the spring of 2007 to facilitate the Annapolis Valley becoming a leading destination for sport and event tourism in Atlantic Canada. Spanning West Hants, Kings and Annapolis County, AVESTA is comprised of representatives of local municipalities, sporting associations, educational institutions, businesses, provincial representatives and economic development associations.

AVESTA is pleased to undertake initiatives in five key program areas: (1) Conference and Event Planning, (2) Bid Support and Development, (3) Education and Advocacy, (4) Partnership Development and (5) Marketing and Promotion.

As an organization, one membership equals one vote. When you join AVESTA as an individual you become part of the organization, an important link in the overall sport tourism and event network. Our members' activities and enthusiasm make the organization vibrant and alive.

As a member, you will have the opportunity to participate in major policy decisions through such means as the annual general meeting of the association.

A Sample of the benefits to members include:

- Site Selection Assistance
- Welcome Packages
- Maps, Brochures, and Attraction Information
- Pre, Post and Familiarization Tours
- Bid Proposal Support
- Listing on Website Calendar of Events
